

1. We are expecting a great turnout, so parking needs to be organized!
 2. If you're arriving Sat, please pick spots (gooseneck people) that will allow Sunday morning arrivals easy access to parking their rigs.
 3. If you're penning, please do not make large pens that will take up parking spaces.
 4. Please have solid penning + power on your fence, as the parking is right next to Hwy 236.
- Thanks everyone.
- PS. Please pick up your poo and such! Said poo may be thrown in the woods! 😊
