

## **Pocket Rulebook Edits/Additions as at November 2019**

**1.12.4** The Rules Director will chair the grievance committee and appoint two others per grievance (November 2019)

**1.11.11** All electronic devices used at an ACTRA sanctioned ride are for personal use only and readings taken from these devices will not be considered by ride management in official scoring or to challenge a ride manager's official results including but not limited to GPS, cell phones and heart rate monitors. (November 2019)

**1.1.8** The Statistician will accept the mileage for horse and rider that is put on the master scoresheet by ride management. (November 2019). It is the management's responsibility to calculate the mileage properly.

**1.2.6** If a rider missed a section of prescribed trail as posted by ride management and this error is discovered within 48 hours post ride the horse and rider's mileage and placing are revoked. (November 2019)

**2.5.3** Rider assistance is allowed (excluding on trail) unless horsemanship is being offered: that is, rider may have assistance before the ride, at the hold and after the ride. (November 2019)

**3.5.3** Rider assistance is allowed (excluding on trail) unless horsemanship is being offered: that is, rider may have assistance before the ride, at the hold and after the ride. (November 2019)
